# Saint Nicholas

How time passes quickly. Most recently he was the New Year and now the star again. Not sure what to buy for Christmas? Buy a small gift. You only need to buy chocolate. You know, such a happy little chocolate may be coming. If you want to buy something better than such a frame with a photo or some perfume. Think about what the person likes and what they are interested in.

Two boys spend the night before Christmas Eve at my grandparents. Before going to bed, kneel and pray before bed, and if one of his lungs crying out loud:

- I pray for a new bike, I pray for the new soldiers, I pray for a new dvd player ...

Older brother leaned over and nudged him, saying:

- Why did you scream? God is not deaf.

For a boy:

- No, but Grandma is.

Christmas Eve. Table set with "I ate all kinds of" parents sing Christmas carols, beautifully lit Christmas tree lights, and the child as a child - impatiently waiting for gifts. Finally the doorbell.

- It's Santa Claus! - Joyfully screaming little boy - brought gifts!

He throws the door, opens i. ..

The apartment actually rolled into St. Nicholas, but so drunk he could barely stand on his feet. Slammed on the couch and failed cloudy eyes. The boy was not discouraged by this situation, ran to him, tugging at his sleeve, and exclaimed:

- I want a big, red fire truck with siren!

- Ahhh, please you very much - stammered Santa Claus and set fire to the apartment.

## On Christmas Eve

While waiting, when the Christmas star rises  
For the half-frozen little boy pressed glass.  
He looked - Winter birds returned to nest,  
As if the evening also wanted to celebrate.  
Once the star of Bethlehem led the wise men,  
Today, the character gives in to sit down to the sacred supper,  
To white wafer human quarrels reconciled,  
And once settled in the heart of one who "lies in a manger."  
A moment! When you just disappear,  
What gray - changes in the festive, mysterious.  
Give us more such days, searching for love  
Let the world at the crib transforms your face.

## Carol

Our mom loves music  
and we also love music,  
So we bought for Christmas  
CD for our Mom.

Then there was Christmas Eve, Christmas tree,  
The first star shone from heaven,  
we all sat at the table  
and the album began to sing.

Golden candle mrugnęło tree,  
Shadows danced on the wall,  
- Good evening ... - Whispered the mother  
- Good evening, Mr. Chopin.

Motherboard with the scherzo played carol,  
rozśpiewały beautifully keys  
and so, if they really  
Chopin to us, to the house, came.
